Alpha Eta Chapter of Delta Sigma Phi Fraternity at Ohio Northern University ❖ Fall 2009

## Update from the Alumni Control Board

**W**elcome to the fall 2009 edition of the *Link*! The undergraduate brothers of Alpha Eta moved into the Chapter House several weeks ago now and have been rushing new brothers since the day they stepped back on campus.

The number of brothers in Alpha Eta has been climbing steadily in the past couple years so the ACB may finally have the financial strength to start working on some major projects in the near future. We've also taken the initiative to actively discuss our investments before every ACB meeting. We don't have much money to invest now but when we do have the money we'll be ready to put it to good use. Please come visit the Chapter House at Homecoming or any other time you have the chance. We'd love to hear about your visit and what you think of your fraternity house.

I hope you will all be able to join us at Homecoming on October 10<sup>th</sup> where you can help me to congratulate the 2009 Loren Schoenberger Alumnus of the Year Bill Hoyt. Bill is a past ACB President and helped Alpha Eta through some very tough times. It was under Bill's guidance that the ACB hired Omega Financial (Omega) to do our billing and collections and Greek Resource Services (GRS) to complete all of our payroll and tax requirements. These two organizations have proved over and over that they perform invaluable services for the Chapter and ACB. Bill was a leader as an

undergraduate and as an ACB member and it is time he was recognized for it.

Homecoming this year will focus on bringing back not only Alumni but also their families. There will be snacks at the

Chapter House all day courtesy of the undergraduates and the House Mother (Wilma). Also, there will be a dedicated group of responsible young men that will be available to watch your young children while you mingle and reminisce with your fellow brothers. The undergraduates have many events planned for homecoming so don't forget to make your plans. I hope to see you all at Homecoming!

# Letter from the Chapter President

To Alumni,

I hope everyone had a nice and relaxing summer. The brothers of Alpha Eta are excited to be back at school and be among our brothers again. This summer National convention was held in St. Louis. We sent five brothers including Daniel Kelly, Chris Tylenda, Jacob Bryant, Pat Maginnity, and myself. While convention was assembled Alpha Eta received the Robert R. Harris memorial award for New Member

Retention. Besides participating in Convention assembled we visited local landmarks that include the Gateway Arch, the Historic Landing, and the Budweiser Factory.

This fall we have a full rush schedule. Our annual Hog Roast was on September 19<sup>th</sup>. This year we will be doing something new. Alpha Eta is going to be hosting two local bands on the biggest deck on campus. The first concert was on Friday Sept. 11<sup>th</sup> from 6pm till 10pm. The featured band

was Posted. The second concert was Sept. 19<sup>th</sup> from 5pm-9pm featuring Jam Master Jay Ride. Feel free to stop by any events, or anytime you would like to come visit. This includes Homecoming weekend which is October 9<sup>th</sup> and 10<sup>th</sup>. We have events planned for the entire family. Take care and we hope to see you soon.

## President's Message

Dear Brothers,

Another school year is well under way and most of us here are just well under, period. With winter coming on it is only fitting that we are all pretty well snowed under with studies plus both school and fraternity activities. As usual the Delta Sigs are still very active in all fields: journalism, sports, dramatics, plus the choir and band.

Although we are not at the top in everything, where we are not we are running a very close second. For example, we missed winning the trophy for Homecoming decorations by one-half point. We have also had the breaks go against us in several other cases but still, the co-operation and spirit is the best we have had in a long time.

Our rushing and pledging was very successful this fall. We have pledged a high caliber of men who are all active either in sports or other campus activities. We are also very proud of one man whom we have pledged and initiated this fall. The new Delta Sig of whom I

write is Dean Louis E. Otte, Dean of the University. The Dean is very popular with the students and we consider Alpha Eta luck to have such a distinguished gentleman in its fold.

The alumni and actives were privileged to hear Dean Otte speak at our Homecoming banquet. I am sure the alumni who were here were as favorably impressed with our new faculty member as he was with them. Although there were forty-five alumni back for Homecoming, we hope to have a larger attendance next year.

The fraternity convention was well attended by actives and alumni of Alpha Eta. One of the plans brought forth at the convention was that of gaining new chapters for the fraternity.

We are doing our best to carry out this plan. So far we have done extensive work with the Gamma Theta Nu local at Bowling Green State University, and have also made some contacts with the Phi Gamma Theta local at Kent State. Both of these fraternities are very active on their

respective campuses and would make fine chapters of Delta Sigma Phi. The National Fraternity is now composed of sixty-four chapters with a goal of "101 by '51". Any help by alumni that can be given us in this endeavor will be greatly appreciated.

I believe that the situation at "the big white house on the corner" has been very nearly covered in this and the other articles. Best wishes to all.

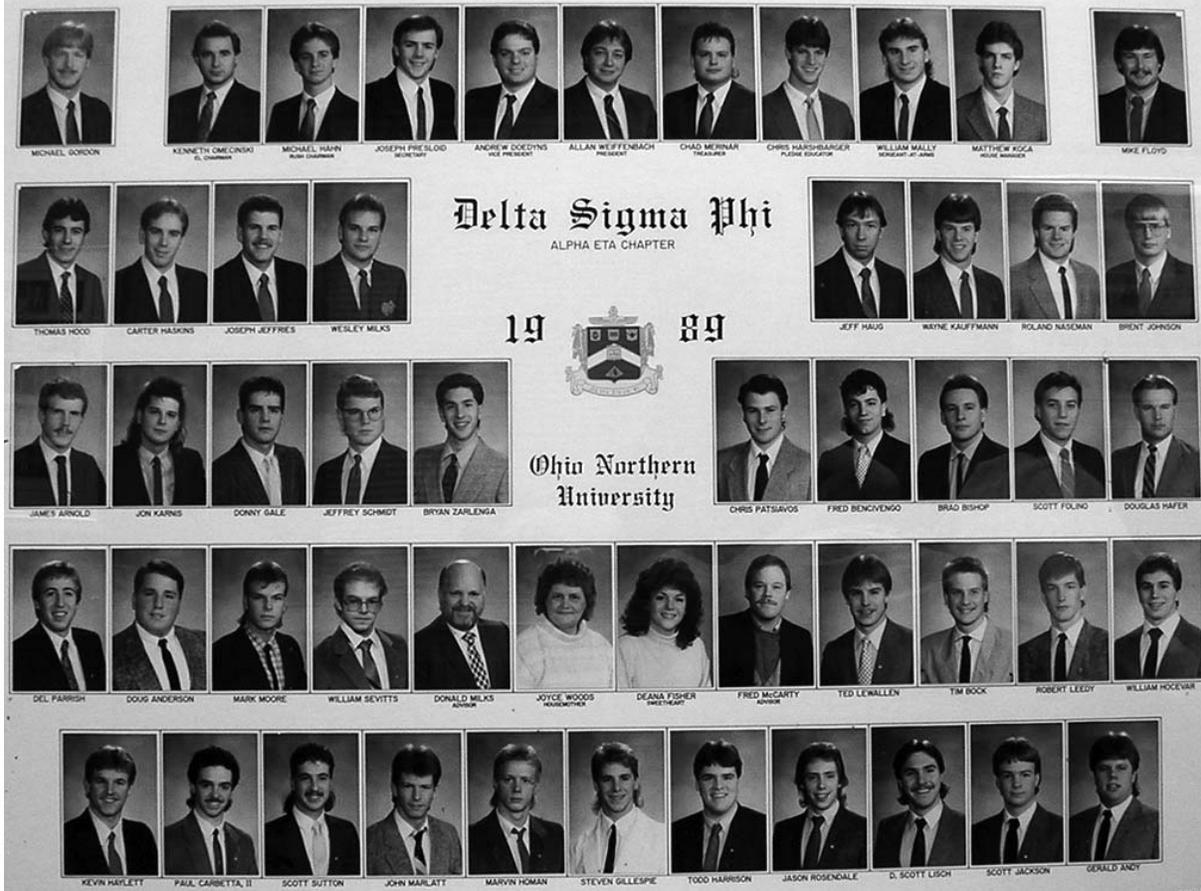

Joe Neidhardt  
Chapter President

*Matt Zeedyk Editorial:*

*Sixty years ago the Chapter President was bragging about the "high caliber" of the men in Alpha Eta and I can attest to the fact that in 2009 Alpha Eta is still filled with "high caliber" men. While Nationals may not have achieved their goal of "101 by '51" Alpha Eta has continued to grow and assist other Chapters and Colonies in the sixty years since this article was originally written. If in 1949 45 alumni could make it to Homecoming I challenge you all to double that number in 2009. See you there!*
