The Delta Experience

The Delta Experience is the final installment of the Alpha Gamma Delta Experience, designed specifically for senior members. Participants will shape the legacy they will leave on their chapter, prepare for the transition to life after college, explore responsibilities and opportunities that lie ahead and ready themselves for the future of their lifelong alumnae membership. The Delta Experience is made of five different components that will allow your chapter to create its own meaningful and impactful senior experience for all your graduating members!

1) The Delta Experience Foundational Programs - Facilitator Guide

At its core the Delta Experience is made of five Foundational Programs required to be completed in the correct order by each collegiate chapter. These programs have been carefully designed with senior members in mind and include interactive discussions, activities and tangible life skills. Click the link above to download the Facilitator Guide for all five programs (including all participant handouts).

2) The Legacy Project

As a part of the Purpose Retreat during the Gamma Experience: Part 2, you will work with your class to develop your Legacy Project. Starting with the very first Foundational Program of the Delta Experience, you will begin to plan the successful execution of your group's required Legacy Project as you work your way through your senior year!
Outline

• Curriculum Overview
• Implementation Explanation
• Questions and Answers
Curriculum Overview

Foundational Programs

- Legacy Project (CUSTOMIZED)
  Planned during Gamma Experience Purpose Retreat

- Supplemental Activities (OPTIONAL)
  Available in Idea Center of myAlphaGam

Supplemental Activities

• 13 varied activities
• Specialized knowledge/skills
• Up to you!
Supplemental Activities

Understanding that each chapter and senior class has its own individual resources and needs, the Delta Experience is designed to allow your group to build its own. Supplemental Activities are completely optional and have been created to allow you to input specific topics into your Delta Experience programming based on the needs of your group. Click the links below to access the Facilitator Guide to each!

- Benefits
- Budget
- Cocktail Party Success
- Graduate School Search
- Interviews
- Job Search
- Nesting
- New Community
- Post-College Health
- Professional Fashion
- Professional Success
- Resume
- Student Loans
Celebration Events

• 12 varied ideas
• Submitted by Pilot Chapters
• You choose!
3) Celebration Events

Beyond helping prepare senior members for their upcoming transition, the Delta Experience is intended to serve as a year-long celebration of our senior collegiate members! Some of you already celebrate your seniors — please continue these positive traditions! If, however, you are looking for new ideas for celebrating your senior members, click the links below. Celebration events are completely optional and can be scheduled at any time during the senior year. (If you want your chapter’s celebration event added to this list, please email your ideas to edu@alphagammadelta.org.)

- All-Alumnae Celebration - Senior Slideshow
- Capping It Off - Senior Spa Day
- Crafting Memories - Senior Week
- Letters from a Younger Self - Senior Wills
- Secret Squirrels - Sweets with Seniors
- Senior Letters - Wine Tasting

4) Supplemental Activities

Understanding that each chapter and senior class has its own individual resources and needs, the Delta Experience is designed to allow your group to build its own. Supplemental Activities are completely optional and have been created to allow you to input specific topics into your Delta Experience programming based on the needs of your group. Click the links below to access the Facilitator Guide to each.
